**Course Dates 2021 at the Training Center for Fiber Composite Technology**

---

Subject to alterations; current dates and organizational information can be found at [www.bremen-composites.com](http://www.bremen-composites.com)

## ➔ FIBER REINFORCED PLASTIC MANUFACTURER (FRP-M)

Course duration: one week

The course fee is 1385€ and covers:

- Course documentation
- Course certificate

There is an additional one-off examination fee of 325€.

For more information and course dates, please, visit our website [www.bremen-composites.com](http://www.bremen-composites.com)

### Contact

Claas Hoffmann  
Phone +49 421 2246-690  
[claas.hoffmann@ifam.fraunhofer.de](mailto:claas.hoffmann@ifam.fraunhofer.de)

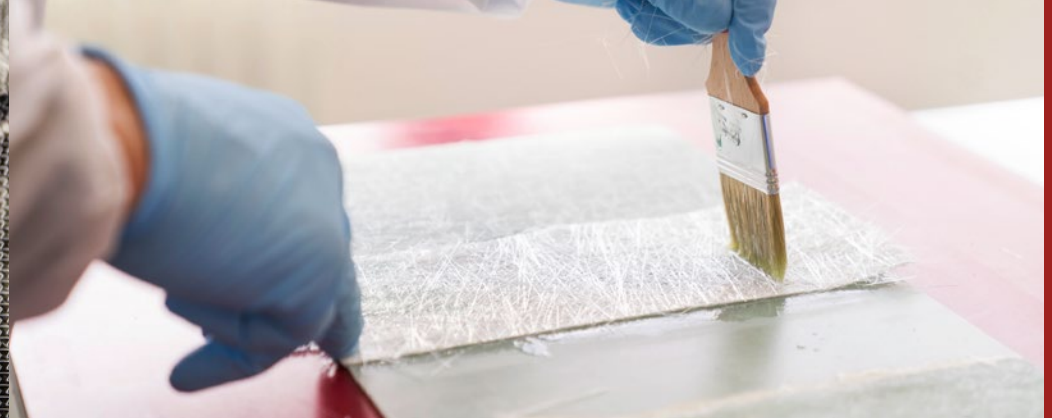

### Registration

[register@ifam.fraunhofer.de](mailto:register@ifam.fraunhofer.de)

➔ Further information

Course venue: Training Center for Fiber Composite Technology  
Concerning In-House courses please contact us.

## ➔ FIBER REINFORCED PLASTIC REMANUFACTURER (FRP-R)

Course duration: one week

The course fee is 1385€ and covers:

- Course documentation
- Course certificate

There is an additional one-off examination fee of 325€.

For more information and course dates, please, visit our website [www.bremen-composites.com](http://www.bremen-composites.com)

### Contact

Stefan Simon  
Phone +49 421 2246-688  
[stefan.simon@ifam.fraunhofer.de](mailto:stefan.simon@ifam.fraunhofer.de)

### Registration

[register@ifam.fraunhofer.de](mailto:register@ifam.fraunhofer.de)

➔ Further information

Course venue: Training Center for Fiber Composite Technology  
Concerning In-House courses please contact us.

## ➔ FIBER REINFORCED PLASTIC SPECIALIST (FRP-S)

Course duration:

three one-week modules

The course fee is 1570€ per course week and covers:

- ▮ Course documentation
- ▮ Course certificate

There is an additional one-off examination fee of 560€.

For more information and course dates, please, visit our website [www.bremen-composites.com](http://www.bremen-composites.com)

### Contact

Milan Kelch  
Phone: +49 421 2246-696

### Registration

[register@ifam.fraunhofer.de](mailto:register@ifam.fraunhofer.de)

➔ Further information

Course venue: Training Center for Fiber Composite Technology  
Concerning In-House courses please contact us.

# INFORMATION ABOUT THE COURSES

## Cooperation partners

We also cooperate with partners who carry out these courses on our behalf and according to our quality requirements.

The trainers have been trained by us and are closely linked to the Fraunhofer IFAM through regular meetings. This guarantees a comparable, high quality of the courses, regardless of the venue.

The advantage for you: Lower travel costs due to shorter distances to the training locations and courses by native speakers in the local language.
