INTERNATIONAL REFRESHER 2019

Fax +49 421 2246-605 | register@ifam.fraunhofer.de

Fraunhofer Institute for Manufacturing Technology and Advanced Materials IFAM
– Adhesive Bonding Technology and Surfaces –
Wiener Strasse 12 | 28359 Bremen | Germany

- Last Name
- First name
- Company
- Department
- Street
- Postcode/City
- Phone
- Fax
- E-mail
- Signature

I agree to the publication of my name/company/place on the participant list.

Stamp

Cancellation: If a place on a course is canceled more than 7 days before the start of the course, 50% of the course fee is still payable. Cancellation at shorter notice will mean the whole course fee still being payable. Naturally it is possible for another person to take a place on a course.

FURTHER INFORMATION

Course date and venue

May 27–29, 2019
Fraunhofer Institute for Manufacturing Technology and Advanced Materials IFAM
– Center for Adhesive Bonding Technology –
Wiener Strasse 12 | 28359 Bremen | Germany
www.bremen-bonding.com

The course fee is 1075 € and covers:

- Documentation for the International Refresher Course 2019
- Snack lunches and refreshments at breaks
- Certificate of participation

Participants must attend the whole of the course. A precondition for receiving a certificate of participation is attendance at the whole of the course.

Registration

Please complete the attached registration form and send this to us by post or fax. We will send you confirmation of your registration and detailed directions to the venue. The invoice will be sent to you after the end of the course.

- The closing date for registration is Friday, May 15, 2019.

If you have any questions about registering, please contact:

Petra Theuerkauff
Phone +49 421 2246-463 | Fax +49 421 2246-605
register@ifam.fraunhofer.de

Hotel accommodation

Accommodation can be booked at a special rate at:

ATLANTIC Hotel Universum | Wiener Straße 4 | 28359 Bremen
Phone +49 421 2467-0 | reservierung.ahu@atlantic-hotels.de
www.altantic-hotels.de

and

7THINGS my basic hotel | Universitätsallee 4 | 28359 Bremen
Phone +49 421 2202-603 | info@7things-hotel.de | www.7things-hotel.de

The hotels are 5 minutes on foot from Fraunhofer IFAM. Please contact the hotel directly to make a reservation quoting »International Refresher 2019«.

Please note: The event may be taking photos which may be published on our homepage, print media and social media Channels are published. With the registration the consent of the present person for unpaid publication in the above manner and Manner without the need for an express declaration of the person concerned. In addition, the contact details of the participants are related saved with the event.

INTERNATIONAL REFRESHER 2019

Refresher Course for
DVS®/EWF-European Adhesive Specialist (EAS) and
DVS®/EWF-European Adhesive Engineer (EAE)

MAY 27–29, 2019

BREMEN BONDING

INTERNATIONAL REFRESHER 2019

BACKGROUND

In recent years our international courses in adhesive bonding technology have seen growing numbers of participants. In order to give former course participants the opportunity to refresh and update their knowledge of adhesive bonding, the Training Center for Adhesive Bonding Technology at Fraunhofer IFAM will offer an International Refresher Course in 2019. The course will be given in English.

Target group

The course is aimed at DVS®/EWF-European Adhesive Specialists (EAS) and DVS®/EWF-European Adhesive Engineers (EAE).

Objective of the course

The objective of the course is to provide an opportunity for former participants of DVS®/EWF-European Adhesive Specialist (EAS) and DVS®/EWF-European Adhesive Engineer (EAE) courses to refresh key topics and update their knowledge. In addition, new developments in adhesive bonding at Fraunhofer IFAM of industrial relevance will be covered. There will also be the chance for participants to exchange their experience of adhesive bonding.

Requirements for participation

Participants must possess the DVS®/EWF-European Adhesive Specialist (EAS) or DVS®/EWF-European Adhesive Engineer (EAE) qualification.

PROGRAM

Monday, May 27, 2019

- 12:30 | Snack lunch
- 13:30 | Welcome and introduction

Introduction to the Refresher course

Workshop: Experiences and challenges of adhesive bonding in industrial practice will be discussed with the course participants. Quality assurance in adhesive bonding: Philosophy, guidelines, and standards (e.g. DIN 2304)

- 18:00 | End of the first day

Tuesday, May 28, 2019

- 09:00

REFRESHER SESSION I

- Requirements for the components to be bonded
- Bonding of plastics, painted surfaces and fibre-reinforced plastics

- Lunch break

REFRESHER SESSION II

- Bonding of metals
- Bonding of glass

- 18:00 | End of the second day
- 19:30 onwards | Get-together/Networking/Dicussion with the speaker

Wednesday, May 29, 2019

- 09:00

LATEST DEVELOPMENTS IN ADHESIVE BONDING TECHNOLOGY AT FRAUNHOFER IFAM

- Material fatigue and dynamic testing of bonded joints
- Inline monitoring of mix quality
- Clean and reliable surface treatment by vacuum suction blasting
- Preparation and implementation of a certification according to DIN2304

- 13:00 | Snack lunch
and end of the Refresher course

Any questions?

If you have any questions about the International Refresher course, please contact:
